8. PROCESSING OF PERSONAL INFORMATION

8.1 Purpose of Processing

Venturisk (Pty) Ltd processes personal information on behalf of its lender clients (the responsible parties) for the purpose of credit fraud screening and risk assessment of loan applications submitted by SME (small and medium enterprise) borrowers. Venturisk acts as an operator as defined in POPIA — it processes personal information on documented instructions from the responsible party (the lender), and not for its own purposes.

Personal information is processed only to the extent necessary to run the forensic assessment pipeline described in the Venturisk Gate Method Statements. No personal information is sold, shared with third parties for marketing purposes, or used for any purpose beyond credit fraud screening.

8.2 Categories of Data Subjects and Personal Information

Category of Data Subject	Personal Information Processed
SME Loan Applicants (via lender clients)	Bank statement PDF (containing transaction history, account number, bank name); South African company registration number; stated annual turnover; VAT registration status. Note: SA ID numbers are used for verification only and are NEVER stored in Venturisk's database.
Lender Client Representatives	Name; email address; job title; login credentials (hashed); application submission records
Directors and Officers of Venturisk	Name; ID number (CIPC filing); contact details; banking information for company account purposes

8.3 Recipients of Personal Information

Category of Personal Information	Recipient / Category of Recipient
Company registration number, bank statement	VerifyNow (Pty) Ltd — for entity and identity verification only, under a data processing agreement. VerifyNow acts as a sub-operator.
Application assessment results	The lender client who submitted the application — results are returned via the Venturisk portal and API only.

Note: No personal information is sold, disclosed for marketing purposes, or shared with any party not listed above.

8.4 Transborder Flows of Personal Information

Venturisk does NOT transfer personal information outside the Republic of South Africa. All data is stored and processed exclusively on AWS (Amazon Web Services) infrastructure located in the af-south-1 region (Cape Town, South Africa). No cloud services outside South Africa are used to process or store applicant personal information.

8.5 Information Security Measures

Venturisk implements the following security measures to ensure the confidentiality, integrity, and availability of personal information:

- Encryption at rest: all database records and stored files are encrypted using AWS-managed encryption (AES-256);
- Encryption in transit: all data transmitted between clients and the Venturisk platform uses TLS 1.2 or higher (HTTPS only);
- Access control: API authentication requires a Client ID and hashed API key; portal access requires individual user credentials with bcrypt-hashed passwords;
- Network security: EC2 instance access is restricted by AWS security groups; SSH access is limited to authorised IP addresses only;
- Data minimisation: applicant SA ID numbers are used for verification only and are never written to the database;
- Backup: automated daily backups of the RDS (PostgreSQL) database, retained for 7 days;
- Incident response: a documented procedure is in place for detecting and responding to data breaches, including the 72-hour notification obligation under POPIA Section 22.

9. AVAILABILITY OF THIS MANUAL

This PAIA Manual is available:

- On the Venturisk website: https://venturisk.co.za/PAIA_Manual_Venturisk.pdf;
- Upon written request to the Information Officer (tebogo@venturisk.co.za);
- To the Information Regulator upon request.

A copy fee, as per the PAIA Regulations, may be charged for physical copies.

10. HOW TO SUBMIT A PAIA REQUEST

Any person wishing to request access to a record held by Venturisk (Pty) Ltd must submit a request in the prescribed form (Form C, available from the Information Regulator's website). The request must be addressed to the Information Officer:

- By email: tebogo@venturisk.co.za

- Subject line: PAIA Access Request — [Your Name]

Venturisk will respond to a PAIA request within 30 days of receipt, unless an extension is required under the Act. A request fee may be applicable as prescribed.

Note: Access to records may be refused on grounds set out in Chapter 4 of PAIA, including where disclosure would unreasonably expose commercial information, third-party personal information, or legally privileged records.

10. UPDATING OF THIS MANUAL

The Information Officer of Venturisk (Pty) Ltd will review and update this manual annually, or whenever a material change occurs in the categories of records held, the processing of personal information, or relevant legislation.
